Обучение офицеров болгарского военно-морского флота в Кронштадтской водолазной школе

(Abstract)

Training Officers of the Bulgarian Navy in the Kronstadt Diving School. At the beginning of the twentieth century, the Kronstadt Diving School of the Naval Department became one of the centers of diving operations in the world. Officers of the Bulgarian Navy were also trained there. Information about their training at school is reported in the Fund 417 records of the Russian State Navy Archive.
