(Abstract)

**Appearances and Reality at the Court of King Ferdinand of Bulgaria: Some nuances of His Intimate Life.** Many have speculated on the intimate life of King Ferdinand. During the communist era, it was transformed into a calling of evil and a denial of everything Bulgarian and native. The article examines some of the important nuances of both the intimate life and tastes of the king, and draws interesting parallels to the public attitudes and false morals of the elite.

**Keywords:** Bulgaria, King Ferdinand, Battenberg, Bisexualism.
